

Save money with these value-added programs!

See how much you'll save on vision care and eyewear

The EyeMed Vision Care discount program will save you money on eye care and eyewear. With EyeMed, you'll receive discounts on eye exams, lenses, frames, and even laser vision correction at any of the thousands of participating EyeMed provider locations. Simply show your WPS ID card and you'll see substantial savings on your vision care. For more information about participating providers and discount levels call EyeMed toll-free at 1-866-559-5252.

Access exclusive savings on hearing services

Hear In America is a hearing services discount program that can save you money on hearing evaluations, hearing aids, and follow up care. To register, simply contact Hear In America at 1-800-286-6149 or www.hearinamerica.com and tell them you are a member of WPS. There are no enrollment fees or premiums. You will then be eligible to receive: free hearing screenings, discounts from 30% to 50% off of manufacturer suggested retail prices for hearing aids, a two year warranty on new hearing aids, free office services (including retests, cleanings and adjustments) for the lifetime of your hearing aids, and a 45-day trial period to decide if your hearing aid is right for you. Contact Hear In America for more information about this benefit, or to find the participating provider that is most convenient to you.

Online resources for a healthier you

Helpful health and wellness information is just a click away. The WPS Health Center combines a powerful online health encyclopedia, action-oriented tools and quizzes, and other resources that empower you to take action and improve your health. Find information on healthy eating, managing chronic conditions, patient safety, and more, including a special area devoted to senior health issues.
