

## **Finding a Pro Bono Attorney**

If you face complex legal problems, but cannot afford professional legal help, you may be able to obtain the resources and the expert advice of a Pro Bono (free) attorney. If you think you may need a lawyer or other help with a legal issue, go to the Wisconsin State Bar Web site [www.legalexplorer.com/lawyer/lawyer-talk.asp](http://www.legalexplorer.com/lawyer/lawyer-talk.asp). There you'll find information to help you locate the best source of help for your situation.
