

Date Adjustment started	CR/JSM	DESCRIPTION	Impacted Bill Types	Date Mass Adjustment Scheduled	Date Mass Adjustments Completed
1/8/2007	JSM-06627	The mass adjustment will pertain to 22X & 23X bill types that contain HCPCs G0008, G0009 & G0010 with dates of service between 07/01/06 thru 11/30/06. We changed the status to pending because we have identified additional claims that need to be adjusted. These should be completed within 30 days.	22X, 23X	N/A	3/13/2007
4/2/2007	CR5507	Reissue of payments for erroneously cancelled Managed Care Informational Unsolicited Responses		N/A	4/11/2007
5/8/2007	CR5587	Reissue of payments for erroneously cancelled SNF invalid unsolicited responses.		N/A	7/2/2007
5/3/2007	JSM-07355	*IPF claims with discharges on/after 10/01/06 but before 03/31/07 that may have erroneously reimbursed the infectious disease comorbidity. *Some non IPF providers and bill types other than 11X were erroneously adjusted. The payments remained the same. We apologize for any inconvenience this may have caused you	11X		7/17/2007
4/16/2007	CR 5362	Payment amounts for HCPC code P9603 and P9604 were schedule to increase effective 01/01/07. The HCPC files were updated on 04/16/07. We are currently in the process of adjusting claims with dates of service 01/01/07 and later processed on or before 04/16/07.	outpatient		8/23/2007
9/25/2007	JSM-07317	Some 85x claims with G0008 and G0009 incorrectly assigned coinsurance and/or deductible for claims processed between 100106 and 010207. A correction will be done by 092807. This was originally communicated in the June 1, 2007 newsletter.	85X		9/28/2007
