Date issue reported	Description	Scheduled Fix
5/1/2008	RHC providers may be receiving incorrect data on their remittance advices. Currently, random RHC claims are posting deductible and coinsurance amounts on the RA that are twice the actual amount. The maintainer is aware of this issue, and is working on a correction.	

Resolved		
Date issue reported	DESCRIPTION	Resolved
11/2/2006	Adjustments on PIP Psychiatric PPS Inpatient TOBs 11X that contain ECT add/on payments are not reflecting the correct ECT payment information on the SPR.	9/4/2007
7/25/2005	SPR Payment Issue on RHC claims with Psych Reduction: For RHC providers billing services with Psych Reduction, the SPR may not reflect the correct coinsurance amount for the patient but the claims are paying correctly. This error occurs when there is an amount reported under the PRE PAY ADJ field on the remit.	1/3/2006
