

# WPS Medicare Prescription Drug Plan

## Pharmacy Directory

Wisconsin

This booklet provides a list of WPS Medicare Prescription Drug Plan's network pharmacies. All network pharmacies may not be listed in this directory. This directory is current as of October 1, 2005. A pharmacy's inclusion in this directory does not guarantee the pharmacy is in the network. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about WPS Medicare Prescription Drug Plan network pharmacies in your area, please visit our Website at [www.wpsmedicaredrugs.com](http://www.wpsmedicaredrugs.com) or call our Customer Service Department at 1-800-731-0459, Mon. - Fri., 7:00 a.m. - 7:00 p.m., Sat., 8:00 a.m. - 12:00 noon. (TTY/TDD users should call 1-888-877-2837.)

## INTRODUCTION

This booklet provides a list of WPS Medicare Prescription Drug Plan's network pharmacies and includes some basic information about how to fill your prescriptions with WPS Medicare Prescription Drug Plan. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by WPS Medicare Prescription Drug Plan. In most cases, your prescriptions are covered under WPS Medicare Prescription Drug Plan only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription; you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

## **Can the list of network pharmacies change?**

Yes, WPS Medicare Prescription Drug Plan may add or remove pharmacies from our pharmacy directory. To get current information about WPS Medicare Prescription Drug Plan network pharmacies in your area, please visit our Website at [www.wpsmedicaredrugs.com](http://www.wpsmedicaredrugs.com) or call our Customer Service Department at 1-800-731-0459, Monday - Friday, 7:00 a.m. - 7:00 p.m., Saturday, 8:00 a.m. - 12:00 noon. (TTY/TDD users should call 1-888-877-2837.)

## **How do I find a WPS Medicare Prescription Drug Plan network pharmacy in my area?**

To use this directory to find a WPS Medicare Prescription Drug Plan network pharmacy, follow the steps below:

1. Locate the section for the type of pharmacy you are seeking (for example, “Retail Pharmacies”). You can find this information on the left or right edge of the page.
2. For retail, chain, and I/T/U pharmacies, locate the county, and city/town in which you would like to find a pharmacy. Home infusion and long-term care pharmacies are ordered alphabetically.
3. Once you have located your town or city, look through the alphabetical listing of pharmacies to find a pharmacy near you.

Or, you can visit our Website at [www.wpsmedicaredrugs.com](http://www.wpsmedicaredrugs.com) or call Customer Service at 1-800-731-0459, Monday - Friday, 7:00 a.m. - 7:00 p.m., Saturday, 8:00 a.m. - 12:00 noon. (TTY/TDD users should call 1-888-877-2837.)

## **How do I fill a prescription at a network pharmacy?**

To fill your prescription at a network pharmacy, you must show your WPS Medicare Prescription Drug Plan member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call Customer Service.

## **How do I fill a prescription through WPS Medicare Prescription Drug Plan’s mail-order pharmacy service?**

To get order forms and information about filling your prescriptions by mail through our mail-order pharmacy service, Medco By Mail, please visit [www.wpsmedicaredrugs.com](http://www.wpsmedicaredrugs.com) or call Customer Service at 1-800-731-0459 (TTY/TDD users should call 1-888-877-2837). Please note that you must use WPS Medicare Prescription Drug Plan’s mail-order service. Prescription drugs that you get through any other mail-order service are not covered.

You can use the mail-order service to fill prescriptions for what we call “maintenance drugs”. These are drugs that you take on a regular basis, for a chronic or long-term medical condition. The formulary list tells you which drugs we consider to be maintenance drugs.

**BY MAIL**

1. Ask your doctor to write a new prescription for up to a 90-day supply of medication, plus refills (as appropriate).
2. Choose a convenient payment method. You may pay by check, money order, or major credit card. If you prefer to pay by credit card, you may also want to join our automatic payment program by simply keeping your credit card information on file with us.
3. Mail the new prescription(s) in the return envelope provided with your Welcome Kit, along with a completed mail-order form and the appropriate payment. To obtain additional order forms, or if you have questions, please call 1-800-731-0459. (TTY/TDD users should call 1-888-877-2837.)

**BY FAX**

1. Ask your doctor to write a new prescription for up to a 90-day supply of medication, plus refills (as appropriate). Give your doctor your Member ID number, which is on your WPS Medicare Prescription Drug Plan Member ID card.
2. Ask your doctor to call 1-888-327-9791 for directions on faxing your prescription to our mail-order service.

To ensure that you don't run out of your medications, try to reorder at least 2 weeks before your prescription runs out. You can find your refill date on the prescription label and on the refill slip that comes with every order, or visit [www.wpsmedicaredrugs.com](http://www.wpsmedicaredrugs.com). You can obtain refills by mailing the order to us, calling 1-800-731-0459 (TTY/TDD users should call 1-888-877-2837) or by visiting [www.wpsmedicaredrugs.com](http://www.wpsmedicaredrugs.com).

You are not required to use mail-order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a retail pharmacy in WPS Medicare Prescription Drug Plan's network to obtain a maintenance supply of medications. Some retail pharmacies may agree to accept the mail-order reimbursement rate for an extended supply of medications, which may result in no out-of-pocket payment difference to you. Please look in the Evidence of Coverage or call our Customer Service Department at 1-800-731-0459 (TTY/TDD users should call 1-888-877-2837) for more information.

It can take 5 days to receive your medication from the time you order. Make sure you have at least a 14-day supply of that medication on hand. If you don't have enough, ask your doctor to give you a second prescription for a 30-day supply, and fill it at a retail network pharmacy while you wait for your mail-order supply to arrive. If your mail-order shipment is delayed, please call 1-800-731-0459 (TTY/TDD users should call 1-888-877-2837.) We'll make sure you have your medication when you need it.

## Filling prescriptions at a non-network pharmacy

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

### Getting coverage when you travel or are away from the plan's service area

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our mail-order pharmacy service.

If you are traveling within the United States and territories and become ill, lose or run out of your prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. To learn how to submit a paper claim, please refer to the paper claims process described later.

You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

### What if I need a prescription because of a medical emergency or because I needed urgent care?

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. To learn how to submit a paper claim, please refer to the paper claims process described later.

### Other times you can get your prescription covered if you go to an out-of-network pharmacy

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24 hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

**Before you fill your prescription in either of these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy for the reasons listed above, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. To learn how to submit a paper claim, please refer to the paper claims process described next.

## **How do I submit a paper claim?**

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy because of the reasons listed above, the pharmacy may not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. When you return home, simply submit your claim and your receipt to the following address: Medco Health Solutions, Inc., P.O. Box 14711, Lexington, KY 40512. Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Service for more information on initial coverage determinations.

## **For more information**

For more detailed information about your WPS Medicare Prescription Drug Plan prescription drug coverage, please review the Evidence of Coverage and WPS Medicare Prescription Drug Plan's formulary.

## Home Infusion Pharmacies

### **Are home infusion pharmacies part of WPS Medicare Prescription Drug Plan's pharmacy network?**

WPS Medicare Prescription Drug Plan will cover home infusion therapy if:

- Your prescription drug is on WPS Medicare Prescription Drug Plan's formulary;
- WPS Medicare Prescription Drug Plan has approved your prescription drug for home infusion therapy;
- Your prescription is written by a doctor; and
- You get your home infusion services from a WPS Medicare Prescription Drug Plan network pharmacy.

Home infusion pharmacies specialize in the preparation of medications that are administered intravenously or by injection. Common preparations that are provided by infusion pharmacies are: chemotherapy, blood products, hydration therapy, pain management therapy, antibiotic therapy, enteral nutrition, growth hormone, catheter care, and parenteral nutrition. To find out more, please call Customer Service at 1-800-731-0459. (TTY/TDD users should call 1-888-877-2837.)

## Long-Term Care Pharmacies

### **Are long-term care pharmacies part of WPS Medicare Prescription Drug Plan's pharmacy network?**

In some cases, residents of a long-term care facility may access their prescription drugs through their long-term care pharmacy. A long-term care pharmacy provides medications to residents of long-term care facilities (such as nursing homes and residential care facilities, mental health facilities, hospices, and long-term care or skilled nursing care beds in hospitals. To find out more, please call Customer Service at 1-800-731-0459. (TTY/TDD users should call 1-888-877-2837.)
