

YOUR HEALTH PLAN ID CARD

Whenever you or your covered dependents receive care, please present your ID Card to the provider's office staff. They need the information provided on your card in order to complete any claims for payments.

Important things to remember:

- Carry your ID Card at all times.
- Present it when you receive any services.
- Notify our Customer Service Department if your ID Card is lost or stolen.
- It is illegal to let anyone not specified on your plan to use your ID Card.

If you need additional ID Cards, please contact our Customer Service Department at the number shown on your ID Card or at 1-800-221-5313.
