

Coast to Coast Coverage for You & Your Family.

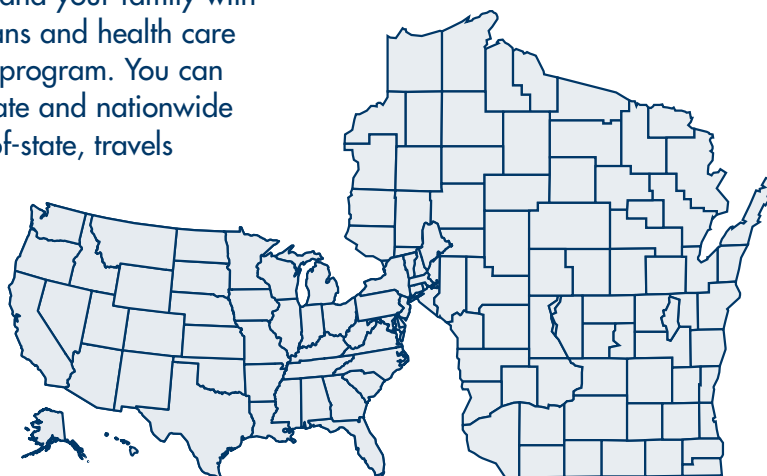

The WPS Statewide/National Network provides you and your family with unparalleled access to the broadest range of physicians and health care facilities available through the state health insurance program. You can access thousands of Preferred Providers across the state and nationwide making it a great network for anyone who lives out-of-state, travels frequently or has children away at school.

Plans that use this network include:

- State Standard Preferred Provider Plan (PPP)
- WPE Standard Preferred Provider Plan (PPP)
- Local Annuitant Health Plan (LAHP) for participants under age 65

Featured WPS Statewide/National Network Providers.

Please see the back page for a sample listing of providers. For the most up-to-date and complete listing of Preferred Providers, visit the WPS State of Wisconsin Web page at www.wpsic.com/state, click on *Find a Doctor*, and select the "WPS Statewide/National Network" option.

We're Right Here for You!

The WPS Statewide/National Network is administered by WPS Health Insurance. WPS is one of the largest health benefits providers in the state and remains Wisconsin's

only not-for-profit insurer offering health plans statewide to the public and private sectors.

Your Benefits Delivered, Minus the Hassle.

We go the extra mile to make using your health insurance a seamless experience, from the moment you present your ID card at the doctor's office to the instant we process your claim. Our streamlined claims processing system handles claims quickly and efficiently, enhancing cost-effectiveness and accuracy.

And our highly-trained, caring Member Services staff is right here in Wisconsin to answer your questions.

Powerful Member Web Tools.

WPS provides a comprehensive suite of online tools, resources, and services designed to help members locate network providers, manage their accounts, research health and wellness information, and access quality and safety data on health care providers. Visit the WPS website (www.wpsic.com/state) to access these, and many other, helpful member resources.

Adding Value to Your Health Plan.

On top of the great benefits you receive through your State plan, you can also take advantage of the

following programs and services.

- Work in conjunction with a maternity nurse to plan your delivery through our Great Beginnings Pregnancy Program.
- A voluntary Chronic Care Management program to help avoid complications and take control of chronic health conditions.
- The EyeMed Vision Care Program saves you money on eye exams, frames, lenses, and laser vision correction at participating providers.
- The WPS Health Center combines a powerful online health encyclopedia, action-oriented tools and quizzes, and other resources that empower you to take action and improve your health. www.wpsic.com/healthcenter
